File

Rich. Nov 18<sup>th</sup> 1868,

# War Department,

Adjutant General's Office,

Washington, Oct. 16, 1861.

Sir:

In reply to your letter requesting a Descriptive List of William East, a Private in Company I, 17<sup>th</sup> Regiment Kentucky Volunteers. I have the honor to furnish the following "Descriptive List" obtained from the records of this Office: which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

## NAME, RANK AND REGIMENT, DESCRIPTION, &c.

William East, a Private in Company I, 17<sup>th</sup> Regiment of Kentucky Volunteers, is years of age; but no further "description" can be obtained from the files of this Office. He was enrolled on the 15 day of October, 1861, at the town of Kenderson in the State of Kentucky by Capt. W. C. Cooper, and mustered into the service of the United States on the 1<sup>st</sup> day of January, 1862, at the town of Calhoun in the State of Kentucky by Capt. Edwards S. Sely, to serve for the period of 3 years, or "during the war."

## ACCOUNT OF PAY.

It is stated on the Muster Rolls of his Company for the months of May and June 1862, that he was last paid by Paymaster B. T. Perkins to the 15<sup>th</sup> day of November, 1861.

## ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing; it must be obtained, if obtained at all, from his Company Commander.

## REMARKS.

The Muster out roll of 6<sup>th</sup> dated January 23, 1862, reports him as "Deserted"; was private to B. 25 Ky Vols. prior to consolidation, dropped as a deserter July 24 1862. Reynolds Station Tenn."

Very respectfully,

Your obedient servant,

*Am. Duch*

Assistant Adjutant General.

Dept. Cumberland

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by this office. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."

Head Quarters Camp Spear,  
Apr 15, 1863.

Colonel.

I herewith send you the communication of Col. Hunt (just received), concerning a deserter of the 17th Reg. Infy. - Int. Echobart of Company K. - I have temporarily placed him under charge of the Guard at this Camp until your wishes are made known. I think this man ought to be sent to jail for safekeeping, - there being no means at hand in this Camp to keep a prisoner. - The charges against him I enclose

likewise.

I am, Colonel,

Very respectfully,  
Your Obedt. Servt.  
Chas. E. Teubner

# FINAL STATEMENT

OF

George W. Ezell

17 Regt of Kentucky

VOLUNTEERS.

Quit January 5, 1864.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment entered on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landworn must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement; otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Survey Auditor, Washington, D. C.

# ARTICLES OF WAR.

XX. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the company or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his personal necessaries, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. In case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to the representatives for the same, have occasion to leave the regiment or company, or otherwise, they shall, before they be permitted to do so, deposit in the hands of the commanding officer, or of the nearest military agent, all the effects of such deceased non-commissioned officer and soldiers, in order that the same may be accounted for, and paid to their respective representatives.

## ARMY REGULATIONS—EDITION OF 1861.

### DECEASED SOLDIERS.

112. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 50th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. First statements of pay, clothing, &c., will be sent with the inventory. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, giving the date, place, and cause; to what time he was last paid, and any other effects in his possession at the time of his decease; a report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of \_\_\_\_\_, late of company \_\_\_\_\_, regiment of \_\_\_\_\_, who died at \_\_\_\_\_, the \_\_\_\_\_ day of \_\_\_\_\_, 186-." If a legal representative receive the effects, it will be stated in the report. If the deceased leave no effects, the fact will be reported. 113. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they be claimed by the legal representative of the deceased. 114. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the commanding officer, and accompanied by the Paymaster's receipt, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the effects of \_\_\_\_\_, late of company \_\_\_\_\_, regiment of \_\_\_\_\_, who died at \_\_\_\_\_, the \_\_\_\_\_ day of \_\_\_\_\_, 186-."

115. The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased, and before their inventories are sent to the Adjutant General, their receipts should be attached to the inventory. In all other cases, the inventory will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer. Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent to the Adjutant General and one retained by the officer.

## VOLUNTEERS.

*Disch Sept 10. 1862.*

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these duplicate certificates, and also, to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be shown up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account; and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be served upon the receipt of these master rolls, and the Soldier receive any pay or allowance that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are audited by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be covered on this statement.

NOTE 6.—Amounts due the Soldier and Landwren must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

Medical Director Office  
 Hd. Qrs. Army of the Ohio  
 July 26, 1862

I have carefully examined Lieut  
 Ferguson 17 Ky. Vols. and find that  
 he is suffering from frequent attacks  
 of Camp Diarrhoea. Although  
 not wholly unfit for duty physically,  
 yet he will not be likely to improve  
 in Camp, and in my opinion it  
 would be for the good of the good  
 service to discharge him.

I hereby tender my resignation as Second Lieut

This officer was by the act of consolidation promoted from  
a Lieut in the 2<sup>nd</sup> Ky. which was consolidated with the 5<sup>th</sup> Ky -  
and has been acting as Lieut. since 13<sup>th</sup> April last & has  
drawn pay as 2<sup>nd</sup> Lieut. His commission from the Gov<sup>t</sup>

And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

PAR. 124. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of \_\_\_\_\_, late of company (—) \_\_\_\_\_ regiment of \_\_\_\_\_, who died at \_\_\_\_\_, the \_\_\_\_\_ day of \_\_\_\_\_, 186—."

FINAL STATEMENT

OF

*Patrick M. Hunt Co D*

*17<sup>th</sup> Reg't of Kentucky Infantry*

VOLUNTEERS.

*Died Nov 27. 1863.*

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing received, and all other charges against him, or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's position on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowance that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are sent by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Discharges."

NOTE 5.—Bounty paid by State authority, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Laurence must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

Sir

I respectfully ask permission to visit Bridgeport Ala. to bring up to the Regt. Memorandum receipts, blanks, and such other papers as will enable me to make out my Returns.

I make the application at this time, because I am so greatly reduced in strength from sickness (and from which I am not yet relieved) as to be unfit for service, and may be so for several days.

Sir

I respectfully ask leave  
of absence for thirty days for the purpose of  
visiting my home in Maryland, &c.  
for the following reasons.

When I enlisted in the Service I was engaged  
in the practice of law and had been so engaged for  
some ten years preceding said enlistment. I left  
home on short notice having but two or three days to  
make preparations, believing I could get back and man-  
age to settle my business before I entered upon active  
duty in the field, and consequently left my affairs wholly  
unsettled. Since I have been in the Army  
the Rebels have twice occupied the town of my  
residence and on the last said occasion destroyed  
a large portion of it together with my law office,  
library day books, papers, notes, accounts and  
indeed everything I possessed.

I have a large amount of debts due and some of  
which were closed by notes and the residue was due upon  
open accounts - the evidence of this indebtedness has  
either been burnt with my office or was destroyed  
by the rebels and unless I get the desired leave to give  
them my personal attention I will sustain great inconvenience.

pecuniary loss. Could I get the usual indulgence  
I think I could save some several thousand dollars.  
My office was burnt same time last fall but I did not  
learn the fact until I reached Knoxville in December  
last since which time I have been kept constantly in  
the field. I have not been absent from my Regiment  
since I joined it (two years since) except when on  
detached duty, nor have I asked for leave of absence  
as I did not think until the present time the exigencies  
of the Public Service would justify such request.

I will leave a Competent 1st Lieutenant in Charge  
of my Company who has commanded it for the last  
month as I was detached as actg adjt. of  
the Brigade in place of Capt O. Miller about  
on furlough. He is furlough expires on the 9th  
of this month when I will be relieved.

My Company has 30 enlisted men present for  
duty, two on detached duty, seventeen absent on  
and wounded - none on furlough.

There is no officer from my Regiment absent on  
furlough. My post office address is Mount
